

### **Cocoa Liquor**

We offer cocoa liquor from both fermented and non-fermented cocoa beans. The cocoa liquor is offered in one pound bars and 25 kilo blocks.

Cocoa or cacao powder is produced by pressing the ground-up cocoa nibs.

We produce natural cocoa powder 10% - 12%.

We are here to assist you with all your cocoa needs, in bulk or packaged. If there is a cocoa ingredient you'd like to purchase and you don't see it on our product list, please call us to request it.
