

Private Label Tea & Tisanes

We invite you to discover a fascinating world of tea with Natural Tea Source, a division of East American Group (EAG).

If you are looking to purchase loose leaf tea in bulk or you want us to custom blend and package your teas, you have come to the right source. We offer a wide range of products for Private Label. Regular blends, exotic blends, flowery teas, herbal teas, fruit tisanes, wellness blends, whole leaf teas, tea bags, iced tea, powdered blends, bath sacks, tea rubs for meats, poultry and sea food and many other varieties of packaging. Our business development team with our vast knowledge of the tea industry is well versed with market conditions. We will advise you of current tea industry trends and we will create a tea program to meet your specific needs. Our Research and Development Division is constantly creating new exotic and delicious blends. If you have your own R&D department or formula, we can blend and package according to your requirements. We offer pyramid bio-degradable sachets, pillow style filter bags, flow-thru single or double chamber, tag-less bags, round tea bags, stick-packs and more. We are constantly evolving to meet the customer demands and expectations and have incorporated a pure, unparalleled collection of natural tea and herbs with superior taste and elegantly designed packaging.

Our state-of-the-art manufacturing facility is certified KOSHER, ISO 9001:2008, HACCP 22000:2005, BRC, ORGANIC EU, ORGANIC NOP, ORGANIC JAS, FAIR TRADE and HALAAL. We are able to meet the food safety and production requirements of foodservice companies, grocery and retail companies worldwide.

Product development, recipe creations, designing and marketing are done in the US and in Sri Lanka. The Manufacturing plant in Sri Lanka takes care of global procuring of teas and ingredients, blending, packaging and shipping. This ensures that the resulting tea is premium quality, yet sustainable and can be produced economically, enabling us to offer you our teas at affordable pricing.

Most of our teas are certified organic. We believe that engaging ourselves more with organic produce will truly be beneficial to the wellbeing of our environment and the World. We are internationally certified by Fair-trade, Germany, Rainforest Alliance Certified and certified by the Ethical Tea Partnership. Fair-trade guarantees a better life for the farmers, their families and their communities. And we firmly believe in this. We procure our teas and ingredients from farms that practice sustainable Agricultural practices because we believe this helps preserve our earth for future generations. As a whole this is our way of showing that we care about our farmers and our environment. We hope you will enjoy our partnership, our teas and appreciate our ethical and sustainable policies.

We are your one stop solution to all your tea needs. From bulk tea, to custom blends, tea bags to tea extracts we can offer you all of these products, services and more. Tea isn't just our business; it's our passion and our way of life.
